Product Description

The Netis P124GH is a high-performance 24-port PoE Gigabit switch designed for home, office, and enterprise networks. With 24×10/100M PoE ports, 2×10/100/1000M uplink RJ45 ports, and 2×10/100/1000M SFP uplink slots, it delivers fast and reliable network connectivity. Featuring 12.8G switching capacity and a 16K MAC address table, this PoE switch ensures stable data transmission and supports multiple devices efficiently. Its plug-and-play design makes setup simple, ideal for IP cameras, access points, and network expansion.
