Product Description

The Longse CPSBFC2R 2MP IPC Dome Camera offers high-quality 1080P video with a 1/3" Progressive Scan CMOS sensor and Fullhan SOC. Featuring built-in mic, IR-CUT, and internal POE, it ensures clear audio and easy installation. Advanced human-shape intrusion detection enhances security, while DWDR provides sharp images in all lighting conditions. Compact and durable with a plastic housing (Ø109.3x95.2mm), this Longse dome camera is perfect for reliable home and office surveillance.
