Price: Rs. 12,800

Attributes

Product Description

The TechLink TL S2200 21.5 Inch Full HD LED Monitor delivers crisp and clear visuals with a 1920×1080 Full HD display, perfect for documents, videos, and everyday browsing. Designed for convenience, it features HDMI and VGA connectivity, an anti-glare screen, and a slim, lightweight design that saves desk space. Its energy-efficient LED panel ensures low power consumption, while plug-and-play setup allows instant use without drivers. Ideal for home, office, or study setups, the TechLink TL S2200 combines performance, style, and reliability in one compact monitor.
