Product Description

Lenovo Legion 5 15AHP10 Gaming Laptop

Take your gaming experience to the next level with the Lenovo Legion 5 15AHP10. Engineered for gamers and creators, this powerful machine combines the latest AMD Ryzen 7 processor with NVIDIA GeForce RTX 5060 graphics to deliver outstanding gaming, streaming, and productivity performance.

The 15.3-inch WUXGA (1920×1200) display offers sharp visuals, vibrant colors, and a 16:10 aspect ratio for enhanced immersion and productivity. Whether you're battling through AAA titles, editing videos, or multitasking between applications, the Legion 5 delivers smooth and responsive performance.

Equipped with 16GB DDR5 RAM and a high-speed 512GB PCIe SSD, you'll enjoy fast boot times, quick application launches, and ample storage for games and content. Lenovo's advanced Legion cooling technology ensures sustained performance during intense gaming sessions.
