DJI Mavic 4 Pro

Offer Price: Rs. 350,000

Original Price: Rs. 365,000

Attributes

Product Description

The Pinnacle of Aerial Cinematography

The DJI Mavic 4 Pro sets a new benchmark in drone imaging—merging professional mirrorless-level performance with DJI's advanced flight technology. Equipped with a rotating 360° Infinity Gimbal and a high-resolution triple-camera system led by a 100MP Hasselblad sensor, it delivers stunning 6K/60 fps HDR video, 4K telephoto capabilities, and creative freedom like never before. With industry-leading flight time, ultra-long transmission, and omnidirectional obstacle sensing—even in low light—the Mavic 4 Pro is the drone of choice for filmmakers and prosumers who demand the highest quality in every shot.
