# Product Description

The **Redmi Pad 2 WiFi (6GB/128GB)** is a versatile entertainment and productivity tablet designed for students, professionals, and families. Featuring a large 11-inch 2.5K crystal-clear display with a 90Hz refresh rate, it delivers sharp visuals, vibrant colors, and smooth scrolling for streaming, reading, gaming, and online learning.

Powered by the efficient MediaTek Helio G100-Ultra processor, the Redmi Pad 2 offers reliable performance for multitasking, web browsing, video streaming, note-taking, and everyday applications. Paired with 6GB RAM and 128GB storage, the tablet provides a smooth user experience and ample space for apps, documents, photos, and media files. Storage can be expanded up to 2TB via microSD card.

For multimedia enthusiasts, the tablet features quad speakers with Dolby Atmos®, producing immersive and rich audio for movies, music, and games. The 11-inch display is TÜV Rheinland Certified, helping reduce eye strain during extended use.

The Redmi Pad 2 includes an 8MP rear camera for document scanning and casual photography, while the 5MP front camera is ideal for video calls, online classes, and virtual meetings.

A massive 9000mAh battery powers the tablet throughout the day, ensuring long-lasting usage on a single charge. The device supports 18W fast charging and comes

with a 15W charger in the box for convenient recharging.

Combining a high-resolution display, immersive audio system, large battery, and expandable storage, the Redmi Pad 2 WiFi is an excellent tablet for entertainment, education, and everyday productivity.
