Product Description

Product Description

The **Acer Nitro V 16 ANV16-61-R0YW** is a next-generation gaming laptop built for gamers, creators, and AI-powered workloads. Equipped with the latest **AMD Ryzen™ AI 7 350 processor** and **NVIDIA® GeForce RTX 5060 8GB graphics**, it delivers exceptional performance for modern AAA games, streaming, video editing, 3D rendering, and multitasking.

Enjoy smooth and immersive visuals on the **16-inch WUXGA (1920 × 1200) IPS display** with a **180Hz refresh rate**, providing fluid gameplay and crisp image quality. With **16GB DDR5 RAM** and a **1TB PCIe Gen4 NVMe SSD**, you'll experience lightning-fast boot times, seamless multitasking, and ample storage for games and creative projects.

Pre-installed with **Windows 11** and backed by a **1-Year Acer Warranty**, the Acer Nitro V 16 is an excellent choice for gamers and professionals looking for powerful performance, AI-enhanced computing, and reliable everyday productivity.
