Product Description

Product Description

The Lenovo IdeaPad Slim 5 16IMH9 Intel Core Ultra 5 125H Laptop is a premium productivity laptop designed for professionals, students, and creators who need powerful AI-enhanced performance in a sleek and lightweight design. Powered by the Intel Core Ultra 5 125H processor, 16GB LPDDR5X RAM, and a fast 512GB SSD, it delivers exceptional multitasking, fast application loading, and efficient performance for work, content creation, and everyday computing.

Its spacious 16-inch WUXGA display with a 1920 × 1200 resolution and 16:10 aspect ratio provides more vertical screen space, making it ideal for spreadsheets, document editing, video conferencing, and entertainment. The integrated Intel Arc Graphics enhances creative workloads, while the slim aluminum-inspired design makes it easy to carry wherever you go.

Running Windows 11, the IdeaPad Slim 5 combines modern AI capabilities, premium build quality, and all-day productivity, making it an excellent choice for users who demand performance and portability.
