Product Description

HP Victus 15-FB3093 Gaming Laptop

Experience powerful gaming and reliable performance with the **HP Victus 15-FB3093** , designed for gamers, students and content creators. Powered by the **AMD Ryzen 7 7445HS processor** and **NVIDIA GeForce RTX 4050 6GB graphics**, this laptop delivers capable performance for modern gaming, video editing, multitasking and everyday productivity.

Featuring **16GB RAM and a 512GB SSD**, the HP Victus offers responsive multitasking, fast boot times and quick application loading. Its **15.6-inch Full HD (1920 × 1080) 144Hz IPS display** delivers smooth visuals and a more responsive gaming experience.

Finished in **Mica Silver**, the laptop combines a modern design with a backlit keyboard, making it suitable for gaming, work and entertainment.
