Product Description

ASUS Vivobook Go 15 – Product Description

The **ASUS Vivobook Go 15** is designed for everyday productivity, study, office work, browsing, and entertainment. Powered by an **AMD Ryzen™ 5 40 processor**, paired with **8GB RAM** and a **256GB SSD**, it delivers smooth performance and fast storage for daily computing needs.

Its **15-inch display** provides a spacious viewing area, making it comfortable for working on documents, attending online classes, browsing the web, and enjoying multimedia content. The **Cool Silver** finish gives the laptop a clean and professional appearance.

Key Features:

- AMD Ryzen™ 5 40 Processor
- 8GB RAM
- 256GB SSD
- 15-inch Display
- AMD Radeon Graphics
- Windows 11
- Cool Silver Finish
- 2 Years Warranty
- Free Bag and Mouse

The ASUS Vivobook Go 15 is a suitable choice for students, professionals, and everyday users looking for a reliable laptop with a larger display and practical performance.
