Product Description

Product Description

Experience exceptional performance and premium design with the Apple MacBook Pro M5. Powered by Apple's M5 chip featuring a 10-core CPU and 10-core GPU, this MacBook Pro delivers fast, efficient performance for demanding workflows, creative projects, multitasking, and everyday productivity.

With 16GB of unified memory and a spacious 1TB SSD, enjoy responsive applications, smooth multitasking, and ample storage for your files, photos, videos, and projects.

The stunning 14.2-inch Liquid Retina XDR display offers exceptional brightness, rich colors, deep blacks, and remarkable detail for professional photo editing, video production, and entertainment.

Finished in elegant Space Black, the MacBook Pro combines a sleek premium design with powerful performance and the intuitive macOS experience.
