Product Description

Product Description

Enjoy an immersive viewing experience with the Samsung Essential S3 S36GD 24" Curved Monitor. Featuring Full HD (1920 × 1080) resolution and a smooth 100Hz refresh rate, this monitor delivers clear visuals and fluid motion for everyday computing, entertainment, and casual gaming. Its 1800R curved display provides a more immersive viewing experience, while eye comfort technologies help reduce eye strain during extended use. Combining elegant design with reliable performance, the Samsung Essential S3 is an excellent choice for home and office setups.
