Attributes

Product Description

The Ezviz BM1 Baby Monitor delivers 1080P HD resolution for crystal-clear baby monitoring. Equipped with crying detection, two-way talk, and out-of-crib alerts, it helps you stay connected with your baby. Powered by advanced huma shape algorithm, it provides auto-play soothing music, clear night vision, and all-night 2,000mAh battery life. With 256GB storage, it's perfect for long-term peace of mind.
