Product Description

The Ezviz HP5 1080P Video Doorphone features a 7-inch color touch screen for easy navigation and remote door/gate unlocking. With 2.4/5GHz dual-band Wi-Fi and two-way talk, it's perfect for secure communication. This weatherproof device supports a MicroSD card up to 512GB and EZVIZ Cloudplay for storage, making it ideal for home security. Enjoy convenience and safety with its built-in doorbell and multiple ringtones.
